Sir:

This letter is responsive to the Notice Under 37 CFR § 1.251 mailed December 17, 2004 (hereinafter, “the Notice”).

In the Notice, the Office indicated that a paper entitled “IDS with Non-Patent Literature filed on 7-29-2004” (“the IDS paper”) could not be located after a reasonable search, and requested that Applicant provide another copy of the IDS paper.

There was no IDS filed on July 29, 2004 in the above referenced application. Accordingly, the IDS paper requested by the Office does not exist. Therefore, the Applicant does not possess any record of the correspondence (i.e., the IDS paper) between the Office and the Applicant for the above-identified application.

Respectfully submitted,

Date 8-6-08
